PreK-K Supply List

July 2024

Dear PreK-K Families,

I hope that you have all been having many fun adventures this summer. It is hard to believe how quickly the summer days seem to be going by. To get us prepared for the upcoming school year, I have compiled a list of supplies that will be important to have ready by the start of school.

School supplies for shared use:

- Markers – **3** sets of regular Crayola markers and **3** sets of thin line Crayola markers
- **2** package of colored pencils
- **1** ream of white printer paper
- **1** box of tissues
- **1** small bottle of hand soap

(Crayola are preferable as they seem to have longer shelf lives over other brands☺)

Personal supplies –please label all items with your child's name

- **1** pocket folder (any color or images)
- **3** spiral notebooks with lined paper - 8 1/2" by 11"
- A labeled water bottle that will stay at school
- A complete change of clothing placed in a labeled plastic bag.
- A photograph of you and your family for display on the Family Wall.
- A Lunch Box
- A Backpack (large enough to fit an upright 8 1/2" x 11" piece of paper, or larger)

Please be on the lookout for further communications from me, and the School.

Please don't hesitate to contact me if you have questions.

Enjoy the rest of your summer. I look forward to seeing you in August!

RFS 3-4th Grade Classroom Supply List

- 1 ream copy paper OR 1 package wide ruled lined paper
- 1 box tissues
- 1or 2 packages of at least 4 dry erase markers to donate to the classroom. If students want their own, please bring an extra package for them to keep in their cubby.
- 2 old socks or cloths to be used as dry erase markers (cheap cotton work gloves also work well)
- 1 box of pencils (These will be donated to the classroom)
- 1 box of markers (thick or thin, your choice)
- 2 glue sticks
- 2 pocket folders
- 1 sheet of poster board

Optional items

- pencil box Each student will have a plastic bin supplied by the school, but a pencil box to go inside that can be helpful.
- ear buds The classroom has headphones , but if you prefer your own personal ear buds you can bring those.
- scissors. There are scissors in the classroom, but not enough for every student.
- 1 ruler with inches and centimeters

Feel free to keep using notebooks, folders, etc. from last year. They don't need to be new as long as they have plenty of blank pages. There are colored pencils and crayons available in the classroom.

Classroom Supply List for the 5th-6th Grade Class

2024 to 2025 School Year

All of these items should be brought on the first day of school, Wednesday, August 7, rather than dropped off on the work day before school officially starts or on some random day.

1. 2 composition books (the stitch-bound type) with graph paper inside for math work. Ordering online is sometimes faster than trying to find these locally, but it is not impossible
2. A ream of copy paper- that means 500 sheets- high recycled content is preferred but not required.
3. Either a pack of magic markers and/or colored pencils for personal use (whichever the student prefers) in a container marked with the student's name. If they are from this past year, make sure they still work.
4. 2 boxes of facial tissues for communal use. Do not bring a box of connective tissue from some animal.
5. 100 3" X 5" white note cards, the kind with lines on one side and no lines on the reverse.
6. 2 glue sticks.
7. A backpack to safely transport work and books to and from home.
8. 3 lined composition books- the stitched-up type with lined paper- but feel free to buy the cheapest with a good, hard cover. They are for my class, Spanish, and music. Spanish and music composition books from last year can be used for the coming year. Those lucky students will only need 1 new composition book.
9. One roll of wide masking tape. Make it at least 1.5 inches wide.
10. One trifold 36" X 48" cardboard poster. That is 3 feet by 4 feet. Please don't get one of the smaller ones. If you do, it won't be used.
11. Students have headphones provided for computer use in class, but students may bring in a pair for personal use that will NEVER be shared with peers. If a pair is brought to class, it should remain in class and not be brought back and forth from home to school each day.
12. One bottle of hand soap to use for the cleaning of hands. Clean water and paper towels will be provided by the school.
13. 2 folders with pockets inside for Spanish and music to keep track of handouts and homework. Plastic lasts the whole year. Paper folders sometimes have to be replaced. I leave the decision up to you.
14. 24 to 48 pencils for communal use. Please do not bring in pencils that have a plastic coating on the outside. Some pencils use this plastic layer so they look nice with pretty designs. However, little plastic bits get stuck in the pencil sharpener and cause problems.
15. One bottle of rubber cement. It will be used under strict adult supervision. That strict adult will be me.
